

## Batería® IV Pricing 2023

*Batería IV Woodcock-Muñoz* (Batería IV™) is the parallel Spanish version of *Woodcock-Johnson® IV* (WJ IV™). It provides an efficient and psychometrically sound assessment of cognitive abilities and academic skills with updated norms and content that reflects current Spanish linguistic conventions and culture.

Batería IV reports a variety of scores that utilize the same Cattell-Horn-Carroll (CHC) framework as WJ IV, offering the same ease of use and flexibility that examiners need to accurately evaluate learning problems for Spanish speaking children and adults. As a parallel assessment to WJ IV, it even allows for a direct comparison of a student's skills in Spanish and English when used in conjunction with WJ IV.
