

ESGI Teacher BENCHMARK BONANZA ✨

CONTEST RULES

To enter, before 11/30/25, an ESGI user must:

- Complete the [Benchmarks Bonanza Entry Form](#)
- Have 15 or more students in their class(es) complete the ESGI Beginning of Year (BOY) Benchmark tests for their grade, including all Benchmark sub-tests.

Find and assign ESGI Benchmarks in Test Explorer by searching, using filters, or checking out the Noted Series section.

A list of Benchmark subtests for each grade can be seen in test explorer or [viewed in our support portal](#).

For example, for a 1st grade teacher, students would have to complete all the following tests for BOY Benchmarks:

- Blending and Segmenting Phonemes
 - Uppercase Letter Identification
 - Lowercase Letter Identification
 - Print Concepts
 - High Frequency Words
 - Reading Comprehension
 - Counting to 100
 - Writing numbers 1-20
 - Addition and Subtraction with Objects
 - Identify & Describe 2D and 3D Shapes
- Complete all demographic data in the Profile and Information sections of the Student Profile for each student that completes the BOY Benchmark tests.

For more specific instructions about how to add demographic data [read this support article](#) or [watch this video!](#)

The required demographic fields are:

- First Name
 - Last Name
 - Date of Birth
 - Grade
 - Language
 - Gender
 - Race and Ethnicity
