

Add Products to Cart and Empty Cart

This guide provides a step-by-step approach to efficiently add products to your cart and manage your selections, including updating quantities and handling entitlement information. It also covers how to apply promo codes, convert your cart into a quote, and empty your cart when needed.

1 Go to the Product you would like to add to cart

easyCBM

easyCBM is a benchmark and progress monitoring assessment for RTI that measures a student's achievement in Reading and Math. Skills in early literacy, reading fluency, comprehension, vocabulary, numbers and operations, geometry, measurement, algebra, ratios, and data analysis are assessed. easyCBM helps educators identify specific skill gaps and deficits in learning, and make informed instructional decisions.

4 Click "Add to cart"

The screenshot shows the easyCBM product page. The header includes the easyCBM logo and the tagline "Progress made easy for RTI." Below the header, there is a description of the product: "achievement in Reading and Math. Skills in early literacy, reading fluency, comprehension, vocabulary, numbers and operations, geometry, measurement, algebra, ratios, and data analysis are assessed. easyCBM helps educators identify specific skill gaps and deficits in learning, and make informed instructional decisions." Below the description, there are two product cards. The first card is for the "Online Testing License Renewal 1 Year" with a price of "\$7.80 per student" and SKU "1493822". The second card is for the "Benchmarking and Progress Monitoring" with a price of "\$7.80 per student" and SKU "1493821". Below the product cards, there is a quantity selector showing "2" and an "Add to cart" button circled in orange. To the right of the "Add to cart" button is an "Add to quote" button. Below the "Add to cart" button is a "Training Materials" button. To the right of the "Add to quote" button is a price tag "\$15.50".

5 This product needs entitlement information so we will add it here from the existing contacts. You can also add a new one by clicking at the bottom "Add it here"

The screenshot shows the "Add Entitlement" dialog box. The dialog box has a title "Add Entitlement" and a subtitle "EASYCBM 1Y RENEW". Below the subtitle, there are two sections: "Primary contact" and "Secondary contact". Each section has a "Select contact" label and a search bar. The search bar in the "Primary contact" section is circled in orange. Below the search bar in the "Primary contact" section is a link "Add it here". Below the search bar in the "Secondary contact" section is a link "Add it here". At the bottom of the dialog box is an "Add to cart" button.

6 Click "NTestK12Hig Test"

The screenshot shows the easyCBM website. The main heading is "easyCBM Progress made easy for RTI." Below this, there is a description of the product: "easyCBM is a benchmark and progress monitoring assessment achievement in Reading and Math. Skills in early literacy, reading numbers and operations, geometry, measurement, algebra, ratios assessed. easyCBM helps educators identify specific skill gaps informed instructional decisions." The product is listed as "NTestK12Hig Test" with a price of "\$7.80 per student" and SKU "1493822". A modal window titled "Add Entitlement" is open, showing a list of contacts. The contact "NTestK12Hig Test" is highlighted with an orange circle.
