The next step is billing information. Please fill out all the information: Company or school name, invoice email, billing address, and shipping address.

The screenshot shows a web form for the 'Billing information' step. At the top, there is a navigation bar with links: Assessments, Solutions, Training & Resources, Support, a search bar, and a 'Let's Connect' button. Below the navigation bar, a progress indicator shows four steps: 1. Sign in information, 2. Billing information (highlighted with a blue circle), 3. Product Interests, and 4. Complete and Review. The form fields include: 'Company or School Name' (highlighted with an orange circle), 'Invoice Email Address', 'Invoice Email Address' (with a note: 'The email address where invoices will be sent. Please ensure this address is correct to receive billing documents.'), 'Addressee' (with a note: 'Enter addressee name'), 'Address Line 1', 'Address Line 2', 'Phone Number', 'Country', and 'City'. A large blue diagonal stripe is visible across the form.

7

If billing and shipping addresses are different you can select this button and fill in a different address for default shipping.

The screenshot shows a web form for the 'Shipping Information' step. At the top, there is a navigation bar with links: Assessments, Solutions, Training & Resources, Support, a search bar, and a 'Let's Connect' button. Below the navigation bar, a progress indicator shows four steps: 1. Sign in information, 2. Billing information, 3. Product Interests, and 4. Complete and Review. The form fields include: 'Billing and Shipping Addresses are the same' (highlighted with an orange circle and a checkmark), 'Shipping Information', 'Addressee' (with a note: 'Testing TesterTest'), 'Address Line 1' (with a note: '11 Wall Street'), 'Address Line 2' (with a note: 'New York Stock Exchange, Broad Street'), 'Phone Number' (with a note: '1234567890'), 'Country' (with a note: 'United States'), 'City' (with a note: 'New York'), 'State' (with a note: 'New York'), and 'ZIP' (with a note: '10005'). A large green diagonal stripe is visible across the form.

8 Click "Next step"

The screenshot shows a form with several input fields. The fields are labeled: "Information", "Address Line 1", "Address Line 2", "City", and "ZIP". The "Address Line 2" field contains the text "New York Stock Exchange, Broad Street". The "City" field contains "New York". The "ZIP" field contains "10005". A blue button labeled "Next step" is circled in orange in the bottom right corner. A blue arrow points to the "Next step" button. A blue arrow also points to the "Address Line 1" field.

9 The address will be validated, if it detects a standardized version it will show this popup. Click "Yes, use Standardized Address"

The screenshot shows a modal popup with a purple hexagon icon containing an exclamation mark. The text inside the popup reads: "Address Standardization Available", "11 Wall St, New York Stock Exchange, Broad Street, New York, NY 10005-1905, US", and "Would you like to use the standardized version?". There are two buttons: "No, I will Edit" and "Yes, use Standardized Address". The "Yes, use Standardized Address" button is circled in orange. The background shows the same form as in the previous screenshot, but it is dimmed. A "Validating addresses..." button is visible in the bottom right corner.

10 Click "Next step"

The form contains the following fields:

- Information
- Register Test
- First Name *
- Address Line 2
- Street
- City *
- State *
- ZIP *
- Next step

The "Next step" button is circled in orange.

11 The user can select as many or no products they are interested in. They can select all classroom or clinical by clicking the "select all" under the section headers.

The interface shows a progress bar with four steps: 1 Sign in information, 2 Billing information, 3 Product Interests (active), and 4 Complete and Review.

Please select any and all products that you are interested in. You will be able to edit these later.
