

Texas Reclassification Assessment Paper Test Administration Order Form Form F

The Texas Education Agency (TEA) replaced its Commissioner's List of Approved Tests with a single statewide assessment for English Learner reclassification. TEA selected Riverside Insights® as the single State Standardized Reading Assessment for English Learner Reclassification for grades 1, 2, 11, and 12, per contract #4581, through the 2028–2029 school year.

Required Training**Texas Reclassification Training Academy (TXRTA)**

The Texas Reclassification Training Academy (TXRTA) offers flexible training options for districts of all sizes. TXRTA has two main components: On Demand Trainings and Speak with a Specialist.

- **On-Demand Trainings** are brief videos that can be accessed 24/7. The series mirrors the live training classes and can be used as initial training, refresher training prior to testing, and as facilitator videos for training your staff and ensuring content accuracy.
- **Speak with a Specialist** are 15-minute conversations with a certified training specialist to answer clarifying assessment questions after attending training. This invaluable service aids users in understanding how they may implement the assessment in unique situations or clarify questions.

Required Course

- Course = Paper Administration and Hand Scoring
- Recommended Attendees: Trainer/Facilitator and Test Administrators

Item	Code #	Quantity	\$ Per Pack	Total Price
------	--------	----------	-------------	-------------

Supplemental Testing Materials (Optional)

The materials below can enhance the success of your testing program.

Note: Supplemental materials are part of Riverside Insights general assessment programs. These items are not contracted under the TEA Reclassification Assessment program.

Practice Tests

Practice tests are recommended as a best practice to support student preparation for the ideal testing experience. Students will gain awareness of the directions and types of questions on the exam. Implementing practice tests additionally gives testing sites and staff increased preparation prior to testing, supports a positive testing culture, and offers an opportunity for explanation of less familiar concepts.
