Woodcock-Johnson® V (WJ V™) Pricing Brochure

With WJ V, you get flexibility and simplicity in pricing, designed to suit evaluators at schools, districts, and practices of all sizes. Choose between two straightforward options that let you focus on what matters — leveraging the power of WJ V to better understand your students.

Two Pricing Options: Buy Your Way

Intended for Schools and Districts
(requires an enrollment number)

Intended for
Independent Practitioners
(also available for schools and districts)

Unlimited Subscription

SKU: 2001557

- **Term:** Annual
- **Model type:** Unlimited
- **What do you get:** Unlimited use of the WJ V
- **How it works:**
 - Pay for the **total number of students** within your school system based off total enrollment from the prior year

Subtest Subscription

SKU: 2001560

- **Term:** Annual
- **Model type:** Usage Based
- **What do you get:** A number of subtests to administer throughout the year

Woodcock-Johnson V Subtest Subscription

Purchase subtests annually for \$2.50 each, allowing examiners to choose any subtest from any battery based on specific usage needs. Online training is also included to help examiners fully understand WJ V capabilities.

Users can add subtests any time, with a single annual renewal date based on the first purchase. Subtests bought in the last 4 months automatically roll over to the next subscription year. For example, if a subscription starts on March 1, 2025, and 200 subtests are added on December 1, 2025, those 200 subtests will be valid until March 1, 2027.

Calculating Your Price

1

First, identify your annual access fee depending on the size of your district or practice.

Independent Practitioners and Small School Districts

Enrollment Size

0 - 2,000

Access Fee

\$300

Medium School Districts

Enrollment Size

2,001 - 10,000

Access Fee

\$2,500

Large School Districts

Enrollment Size

10,001+

Access Fee

\$10,000

2

Next, calculate the number of subtests¹ that you need for the year. Then, multiply the number of subtests x \$2.50. This is your annual cost². Don't worry! You can add more subtests anytime.
